In Nursery this week...

A big thank you to all the parents/carers who joined us for our Easter "Stay and Play" sessions yesterday- we hope you all enjoyed it as much as we all did. Children have had fun making their Easter cards and Easter baskets which they are bringing home with them today as well as finding out about Easter traditions, which creatures hatch out of eggs and all about chicks and rabbits!

In Nursery after the holidays...

New children will be starting Nursery and we know our older children will be helping them to settle in happily. We'll also be starting our new "keeping healthy" topic called "Why can't I have chocolate for breakfast?"

Date for your diary - Our School starter trip will be on Tuesday 18th June. More details to follow but you are welcome to make any payments by instalments from the start of next term. Please note that Nursery will be closed to our younger children on this day - they will get their chance to go next year.

Reminders

Snack money is £1 each week (payable on Mondays) or £5 for the half term. Home-school diaries will be sent home on Friday and need to be returned to Nursery the following Monday.

Stars of the Week - Congratulations to this week's stars:

Morning Nursery "Squirrels" - Frankie C and Elsie M

Afternoon Nursery "Rabbits" - Milo G and Skyler W

PE

We will be starting apparatus sessions in the hall each Thursday.

School starters will need to bring a PE kit (available from Whittakers in St Helens) and black pumps on this day. Please ensure all kit, uniform, shoes and bags are clearly marked with your child's name! It would be helpful if they can practise getting their own kit and uniform on and off over the holidays. Younger children can continue to come in jogging bottoms and pumps/trainers on Thursdays.

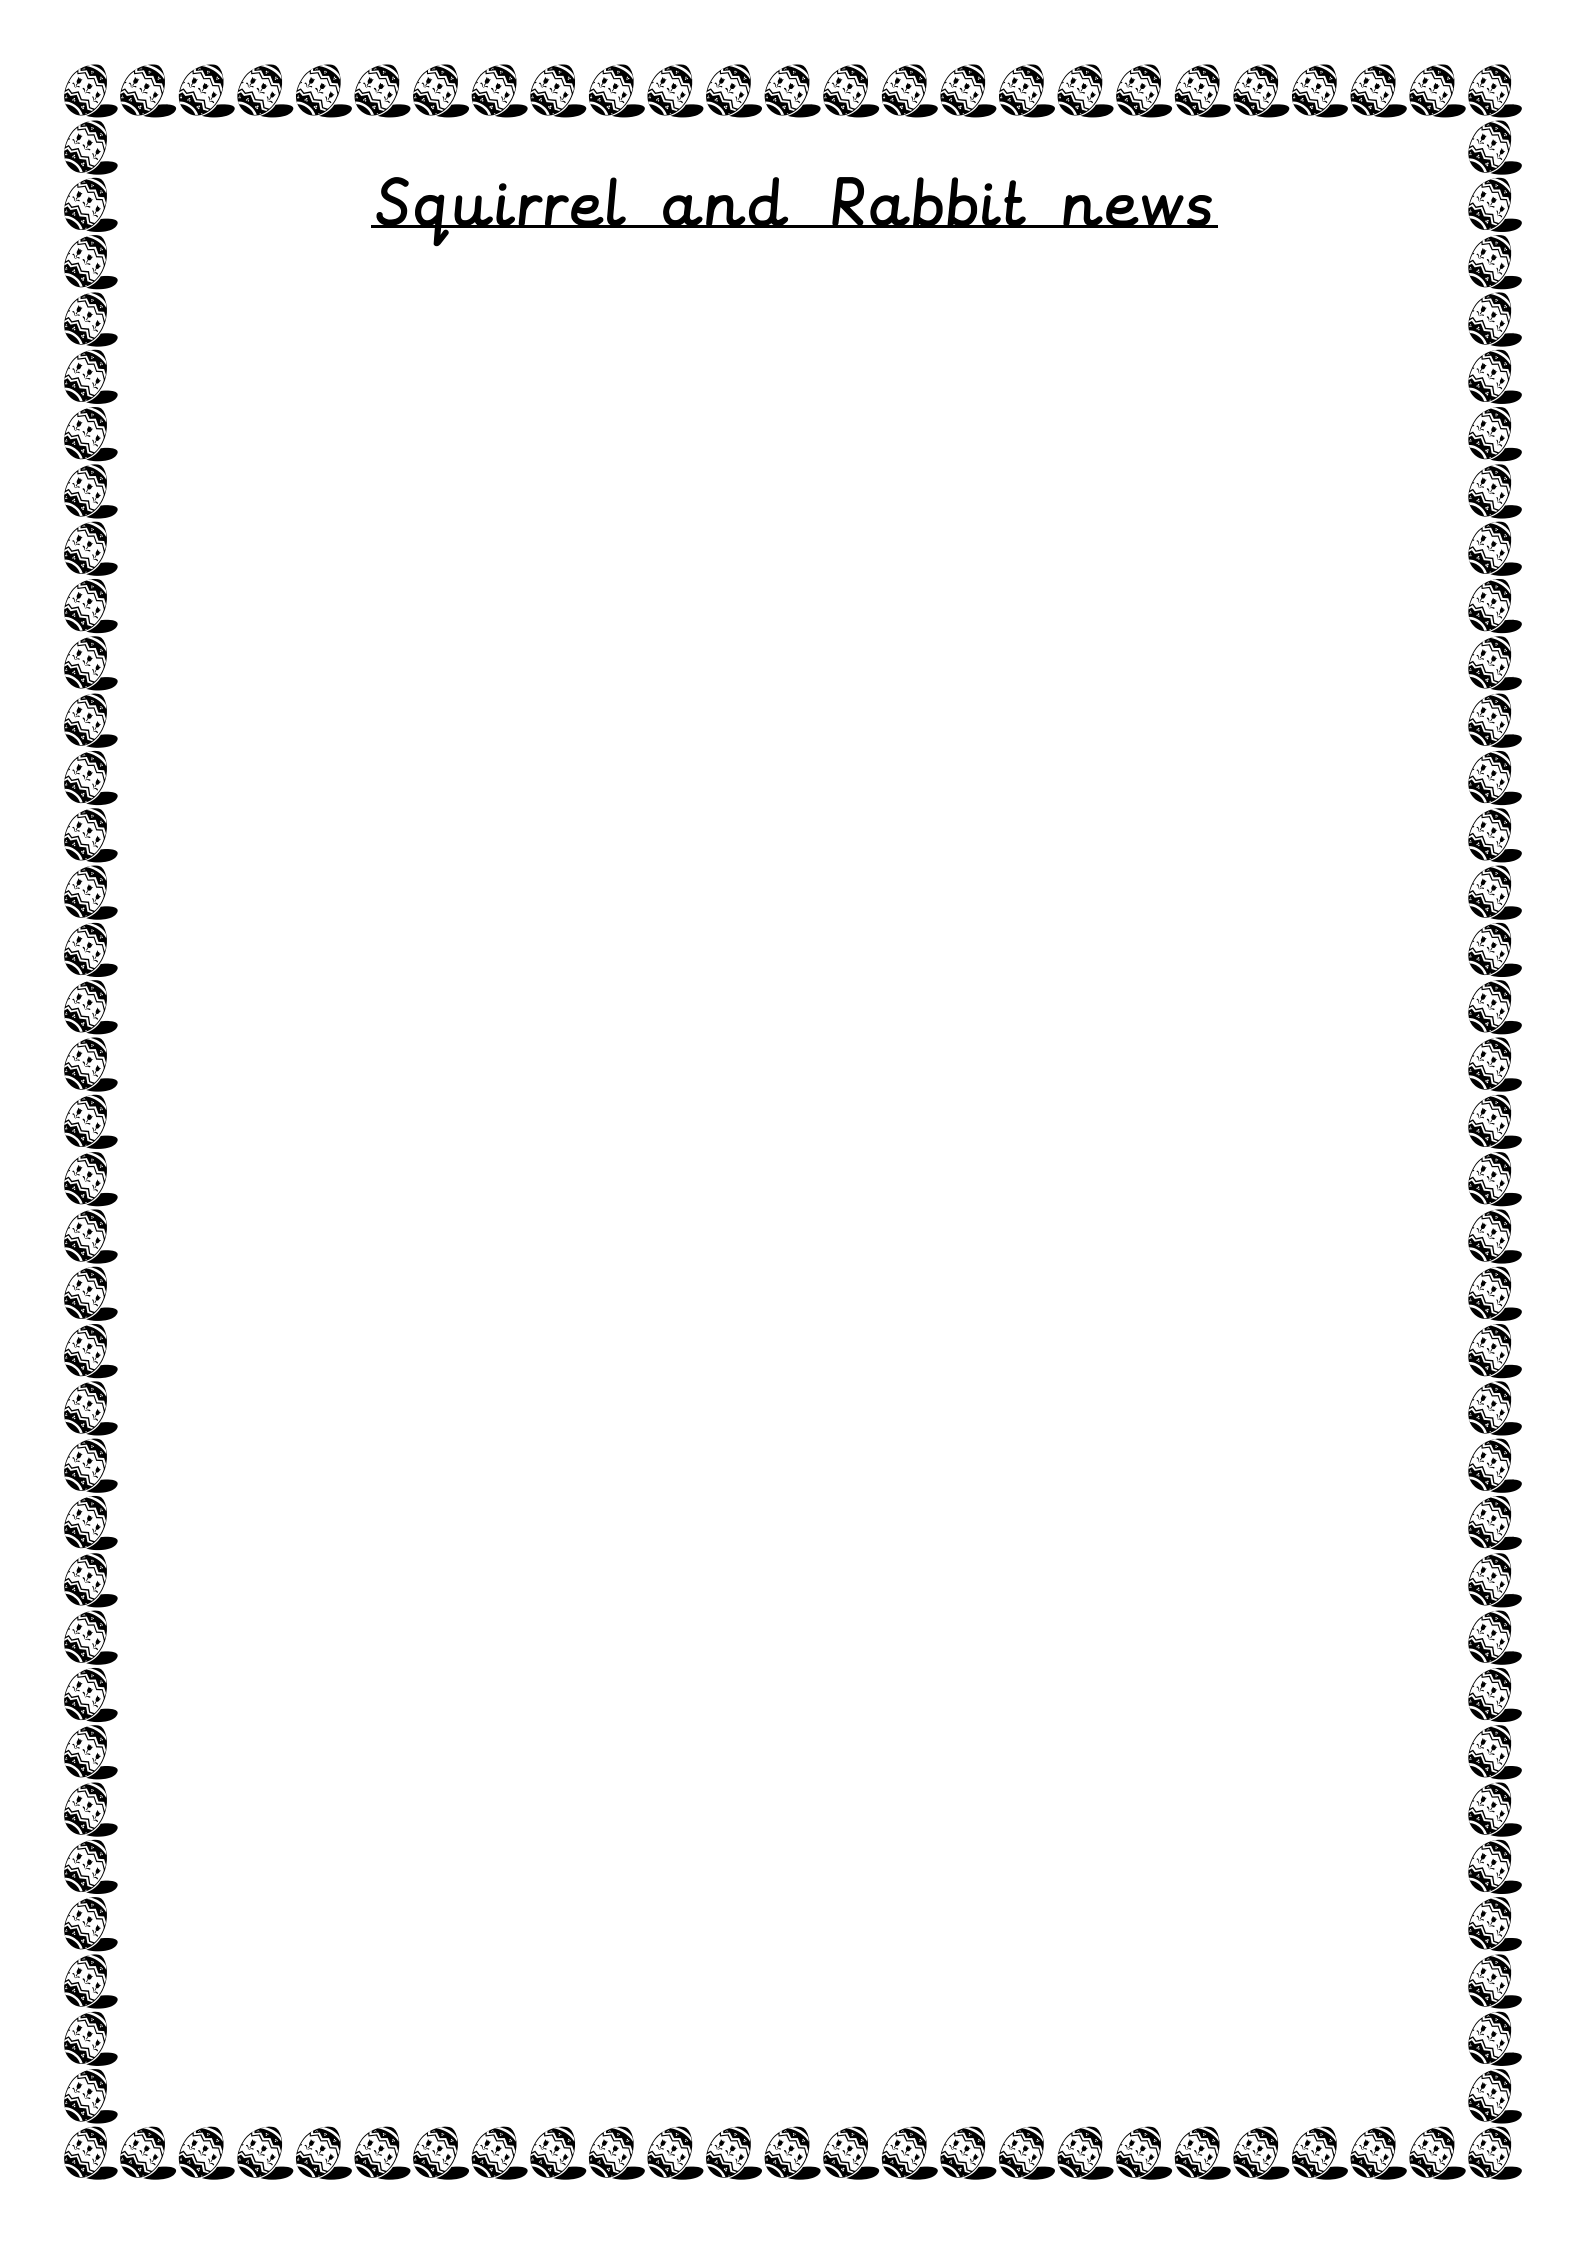

Home Activity

All children have an "Easter Learning Story" in their diary - we'd love to see some news, drawing, even a photo of something they enjoy doing over the Easter break.

Our older children also have some school-readiness activities in their packs - these may include name cards (please help your child to start each letter at the dot and to follow the arrows to ensure correct formation), letter sounds (with and without pictures) and rhyming families to say/read/write, depending on your child's level of development.

Thank you for your support. We hope you all have a very happy Easter.

School reopens on Tuesday 23rd April at the usual times.

A decorative border of small, stylized Easter eggs with various patterns, arranged in a rectangular frame around the page.
