

Hummingbird Class Newsletter

12.06.26

Hello everyone, and thank you for all your support as we start our Summer 2 topics. The children have really enjoyed getting stuck into their new learning, especially our cooking session where they made their own healthy breakfast. They loved preparing the food and were so proud of what they created. It has been lovely to see their confidence growing each day. Thank you again for everything you do at home.

English

The children have been reading a new book called 'if the world were.'

Maths

In Maths, we are finishing our topic 3D shapes, we will be looking at fractions next.

In **Science**, we have been reviewing living things and plants.

History

In History this half term, the children have been looking at the history of Whiston and learning about Edward Smith-Stanley.

Geography

In Geography, we are exploring maps – looking at human features in the local area.

PSHE

In PSHE, the children have been enjoying our new topic life cycles.

DT

For design technology we have been looking at healthy diets and we made our overnight oats in school

RE

In RE, the children have been learning about special places in particular the church and the responsibilities a vicar has.

News

Daily Reading at home

Please spend 10 minutes reading with your child, and record this in their reading records, it helps them to become confident and fluent readers who can move through the Read, Write Inc scheme. We have spoken to the children about taking ownership for this and being able to write in their own records when parents are busy. The children have been enthusiastic about having this responsibility. We appreciate your support from home.

Uniform

Please ensure your child's uniform is labelled clearly with their name. This will really support staff in returning any lost uniform.

Water Bottles

Please ensure your child has a water bottle with them in school each day.

Star of the week

Amber

Thank you for your continued support

Mr Evans
