

Zebra Class Newsletter

Issue 16

Messages

- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe

English

We have started our new book Escape from Pompeii. We have explored a range of artefacts to try to determine the events that have taken place. We then re-enacted an everyday scene from the city of Pompeii before writing a setting description. We have explored the main characters, including how their feelings change through the story, and have written letters of advice to help save them from the eruption.

Maths

- ❖ In maths we have been looking at different types of lines including parallel and perpendicular and angle in shapes.

Science

- ❖ We have completed our revisit of rocks and fossils this week, Ask us about the types of rocks and fossils.

P.E

- ❖ In P.E. we have started our units on rugby and cricket. We have been learning about how to throw and catch the balls for both games.

D.T

- ❖ In DT we have continued to look at nutrition and the types of food that are good for our body and mind. We have looked at different ways we add flavour to our food.

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week'

- ❖ Tia M, Joseph
- ❖ Aurora-Grace KW, Pennie F

Children can attend school in full Whiston Willis PE kits on **Wednesday and Thursday.**
