News

What a fantastic start to the half term – children are showing a great commitment to preparing for their SATs. This half-term is a short one and we have only 2 more weeks until we break up. After that, can you believe children will be sitting their SATs? This year's SATs will take place Monday 11th May to Thursday 14th May – please make sure your child is in school. Remember, ATTENDANCE matters!

This half term, our Year 6 football team attended their final week of fixtures in the Prescot League. We went in to our final fixtures in a strong position – unbeaten! With a win, we would be guaranteed to progress to the Knowsley Finals. After continuing our unbeaten record, we finished joint first, therefore, it came down to a play-off to determine who would be crowned champions. Although we dominated the play-off match, we were unable to find the goal and we were beaten in a penalty shoot-out. What an amazing effort from the Year 6 Football team, who will go on to represent Prescot in the Knowsley Championships.

English

- We have continued developing our narrative writing in preparation for writing our own adventure story on a natural disaster. This week, children have been analysing narratives and planning their own narrative. Next week, children will begin to write their own narrative. I can't wait to read children's stories.

World Book Day

- Last week, we celebrated World Book Day with a range of exciting activities. Children arrived at school in their pyjamas and took part in buddy reading, visiting the nursery to share stories with younger pupils. Staff also joined the fun by disguising themselves and reading aloud for our very own 'Masked Reader', leaving children to guess who was behind each voice. To end the day, after selecting our class favourite books, pupils enjoyed being read to by a different teacher. It was a fantastic day filled with joy, imagination, and a wonderful celebration of reading!

Maths

- This week, children have been introduced to algebra. We started the week off with an attitude of 'algebra is too hard', however, that quickly changed. We have been identifying how patterns can be determined using letters – we have begun to understand how we can use our knowledge of our four operations to solve algebraic equations.

History

- We have continued our unit of learning on 'The Windrush Generation'. This week, we have developed our understanding of the reasons people from the Caribbean migrated to Britain on MV Empire Windrush. Children were able to explain the reasons behind why Britain was appealing to the Caribbean community.

PE

- Last week, Everton in the Community, delivered an engaging lesson around aspirations and children were able to understand how it is important to set goals to help achieve aspirations. They also discussed potential challenges they would face transitioning to high school and how they would overcome them before taking part in some football related skills.

News

Homework

Year 6 children will continue to receive weekly online and paper-based homework. This is given out every Monday and should be returned the following Monday. Please ensure your child is logging on to SATS companion at home regularly.

PE Days

Wolf class PE days are now Wednesday– please ensure your child attends school in full Whiston Willis PE kit.

Tuck Shop

Every Friday, children can bring in 50p to purchase tuck. 2 children each week with 100% from Wolf class will receive free tuck.

Important Dates

- Monday 16th March – Thursday 19th March – Year 6 Assessment Week
- Friday 20th March – Year 6 Gymnastics Trip to M&S Arena
- Friday 27th March – School closes at 3.10pm for Easter Break
- Monday 13th April – School opens at 8.40am.
- Monday 11th May – Thursday 14th May – Year SATs Week
