

Lion Class Newsletter

Lion Class Newsletter

What a busy couple of weeks it has been in Lion Class! The children have worked incredibly hard, showing kindness and resilience as they tackle challenging lessons each day. We are nearly at the end of our English text writing all about Shackleton's experience and the finding of the ship, and have now finished two chapters in Maths, working hard on our multiplication—what an achievement! I am so proud of how the children consistently demonstrate our school values: being respectful, responsible, and safe!

English

We are almost nearing the end of our current English unit- Shackleton's journey. The children are writing their final piece which is a newspaper report based on the discovery of The Endurance ship, which belonged to Ernest Shackleton. Why not ask your child about Ernest Shackleton and his remarkable expedition? The children have loved this story and we are sad to leave this adventure behind!

Guided Reading

In our guided reading sessions, we have been exploring 'Poems of the Green and Blue Planet' where the children have explored different styles of poem and different themes. The children are enjoying learning more about our wonderful planet and recognising how poets use personification to bring to life natural occurrences, such as hurricanes. Their imagination and creativity is shining through in these sessions. Well done, Lions!

Maths

In Maths, we've moved on to multiplication and division, focusing on the 6, 7, 9, and 11 times tables. We're learning about the commutative law (ask your child to explain it-they're doing great!) and other strategies to strengthen their skills. The children will be using songs to help them remember these times tables, as well as completing their weekly times tables grid in class. Please encourage regular practice on TT Rockstars at home to reinforce what we're working on in class.

History

Our history lessons are focussed on The Anglo-Saxons. Currently we are learning about Anglo-Saxon settlements and recently we have learnt about the Saxon invasion of Britain.

PSHE

As well as celebrating anti-bullying week with a fantastic performance from Altru Drama Theatre Company, we have begun our new PSHE topic- Celebrating Difference. The topic focuses on concept of celebrating everyone's own unique qualities as well as learning about the protected characteristics and why it is so important to show a deeper knowledge and understanding for our ever-changing, diverse world.

Certificates

Star of the Week: Finley Dobie

Rights Respector of the Week: Parvathy Parathum Krishna

Reminders and Key Dates

Homework: Keep up the fantastic work on TT Rockstars, and please encourage reading at home for Accelerated Reader quizzes.

Tuck Shop- We are now having a Tuck Shop in school every Friday afternoon. Children are allowed to purchase **one snack** for 50p and all proceeds raised will contribute to school funds which will allow us to purchase additional resources for our children.

To see all our latest learning and for school updates, please follow @lparr_miss and @WhistonWillis1 on twitter.

Thank you for your continued support.

Miss Parr
