Friday 14th November 2025

Squirrel class have enjoyed a busy week spotting lots of signs of Autumn! Children were excited to make their own Autumn crowns to wear on our Autumn welly walk around school and found lots more Autumn treasures. We made some lovely leaf Art work with our collections of golden leaves too! We have been reading lots of "Percy the Park keeper" stories with the Autumn animals and another of our favourite stories has been "We're Going on a Bear Hunt.". Next week, we will begin our Talk for Writing text "It was a cold dark night" where we will be thinking about what happens to animals in Autumn. We will be developing our Literacy and early phonics skills through the text and we will be using construction and loose parts to make dens for the Autumn animals. Our collection of Autumn treasures will be used for our sorting and number activities, parachute games and pine cone weaving.
