

Zebra Class Newsletter

Issue 9

Messages

- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe
- As part of Mental Health Awareness Week we have been reminding the children about the 5 ways to well-being - **Connect Give Be Active Keep Learning Take Notice**

English

- We finished our work on the Tin Forest this week. We have thought lots about how places can be special to us and how we need green spaces to help nature. We completed a leaflet to persuade people to look after Stadt Moers Park.

Maths

- This week we have finished our work on capacity and volume and have gone over other units of work we have previously learnt to check our understanding by solving word problems.

Science

- In Science we have talked about string telephones and thought about how they work. We have learnt how speakers and microphones work too! We were amazed by echolocation and how dolphins use it.

History

- We have completed our learning about the Shang Dynasty and have completed an end of unit piece of writing.

PE

- We completed our units of work and had some games of rounders/cricket. This was lots of fun! We really enjoyed our gymnastics unit.

Art

- In art we have looked at, experimented and recreated different pieces of art and took photographs to help us make changes and improvements for our final pieces.

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week' in recent weeks:

- ❖ **Evie S, Teddie-Mae G, Lenny F, Ruby P**
- ❖ **Lenny F, Elijah W, Scott H, Joseph P**

Clubs

- New club letters went out this week for next half term.

PE

Next term children can attend school in full Whiston Willis PE kits on **Monday and Tuesday.**

To see all our latest learning and for school updates, please follow [@ZebraClassww](#) and [@WhistonWillis1](#) on twitter.

Thank you for your continued support
Miss Harrison
