01.03.24

Welcome to Jaguar newsletter! Jaguars have been so enthusiastic about their learning, especially during our History topic 'The Great Fire of London' and now also our new Science topic 'Sound.' Ask them all about it and I'm sure they will tell you!

**Reminder: Thursday 7<sup>th</sup> March is World Book Day. School dinner on this day will be a sausage roll with chips and beans, a cupcake and a drink.**

## English

We have been focusing on our book called 'The Odd Egg' The children will write their own fact file all about the different type of eggs we've been learning about.

## Maths

In Maths, we have started our new topic, looking at numbers up to 40. We will be counting to 40, comparing numbers, and finding more or less within 40.

## Science

In Science, our unit this half term is Sound. We have begun by learning all about the 5 senses and will focus on how we hear sounds.

## History

Our History topic for this term is The Great Fire of London. The children have started by looking at fire safety and how we can keep ourselves safe around fire. We have now found out all about how the fire started and how it spread.

## PSHE

In PSHE, we are enjoying the Jigsaw unit Healthy Me. The children will be exploring how we can make healthy choices.

## DT

In DT we will be focusing on 'freestanding structures.' We have searched around the school grounds for freestanding structures and we will be making our own playground out of cardboard!

## Music

In Music, we will be completing the unit, round and round. We have been looking at finding the pulse to the music and we will be performing our own song.

## PE

The children will take part in throwing and catching and gym fit circuits. We have already seen such a huge improvement in the children's balance and also their throwing and catching skills.
