

Nursery News

Friday 1st March 2024

In Nursery this week...

We have enjoyed exploring signs of Spring outdoors and in our bug garden. Everyone enjoyed painting and drawing Spring flowers as we talked about and described different parts of a plant, sizes and how they grow. Our favourite rhyme was "5 Little Daffodils".

In Nursery next week...

We will continue to learn about growth and plants as we will be reading "Jack and the Beanstalk" and planting our own beans and seeds in our Nursery garden centre.
