

English

This half term we are studying the texts, *Varmints* by Helen Ward & Marc Craste and *Black Dog* by Levi Pinfold. Through these texts, we will be learning how to effectively write for a range of audience and purpose.

Science

Plants - children will learn which conditions could be changed to investigate the growth of a plant and study what happens to a plant's growth if we change the conditions it is in. They will also explore the main parts and functions of a flowering plant and the parts of a plant's life cycle.

R.E

Special Places/ Journeys – children will explore their special place and what makes a place special. They will learn that everyone has a special place and that each World Religion has special places.

Reading

Applying all reading skills to a variety of contexts, including fiction, non-fiction, poetry and media.

PSHE

Relationships – children will explore jealousy, love and loss. They will think about getting on and falling out with others including girlfriends and boyfriends. They will learn how to show appreciation to people and animals.

Music

Musical tuition – children continue their journey, with Mrs Walton, learning to play a musical instrument.

Whiston Willis Primary Academy

Year 3 Curriculum Map Summer 1

P.E

African Dance -

Mighty Movers – children will learn footwork movement patterns showing co-ordination and demonstrate correct technique for running.

Computing

Branching Databases – children will learn to sort objects using YES/NO questions. They will complete a branching database using 2question.

Maths

Children will construct picture graphs from a set of data; to present data with pictures that represent more than one item. They will construct bar graphs from a set of data; to use proportion to reflect precise difference in quantity. They will then count in tenths; to recognise tenths and be able to determine how many tenths are shaded and make number pairs to create 1; to combine fractions to make 1.

French

The Seasons – children will learn words and phrases linked to seasons in French.

History

Ancient Greece – children will learn about the Greeks and what they believed in. They will explore Alexander the Great and how the Greeks influenced our lives today. They will also explore how equal society was in Ancient Greece.

Art and Design

Frida Kahlo – children will study Kahlo's style before experimenting with her unique style. They will then design, create and evaluate their own inspired piece.
