

English

This half term we are studying the text *Black Dog* by Levi Pinfold and *Lion, the witch and the Wardrobe* by C. S. Lewis. Through these texts, we will be learning how to effectively write for a range of audience and purpose.

Science

Ecosystems – children will learn all about different ecosystems and build on their knowledge of food chains. They will learn what may happen if one part of an ecosystem is changed and what ecosystems we can find in our local area.

R.E

Special Journeys/ Pilgrimage – children will learn what a special journey is and why people may decide to go on Pilgrimage. They will learn about Christian pilgrimage and compare them to pilgrimage in other faiths. They will talk about the significance of pilgrimage and create their own.

Reading

Applying all reading skills to a variety of contexts, including fiction, non-fiction, poetry and media.

PSHE

Changing Me – children will learn about how a baby grows and will understand a baby's needs. They will think about inside and outside body changes and explore stereotypes, preparing for transition.

Music

Music Tuition – children will continue their music tuition with Mrs Walton.

Whiston Willis Primary Academy

Year 3 Curriculum Map

Summer 2

P.E

Active Athletics – Children will improve core strength and agility and understand why they are important.

Fitness Frenzy – Children will demonstrate the correct technique for activities and develop their agility and co-ordination.

Computing

Graphing – children will learn to enter data into a graph and answer questions. They will then solve an investigation and present the results in a graphic form.

Maths

Children will learn what makes an angle and identify angles in an object. They will find right, acute and obtuse angles in shapes. They will also identify and create perpendicular and parallel lines as well as describing 2D and 3D shapes, including nets. Finally, children will determine the perimeter of basic shapes often using 1cm paper before using multiplication and division to find the perimeter of any shape.

French

Little Red Riding Hood – children will learn a range of words and phrases linked to this fairytale.

Geography

Europe – children will locate where Europe is and explore some of the countries and capital cities in Europe. They will study how European weather differs and what famous features and landmarks there are. They will also learn what a four-figure grid reference

Design Technology

Shell structures with computer aided design – children will research and investigate different packages before designing, making and evaluating their own.
