

## Zebra Class Newsletter

## Issue 8

### Messages

- We continue to remind the children of Our School Values which are:  
**Be Respectful    Be Responsible    Be Safe**

### English

- We have started our new text The Pied Piper of Hamelin by Michael Morpurgo. We have looked at the features of traditional tales and myths. We have imagined what it would be like to have thousands of rats everywhere and have written facts about rats into paragraphs.

### Maths

- We have completed our units on measuring and mass over the last couple of weeks. Converting measurements and solving problems using millimetres, centimetres and metres and for mass using kilograms and grams.

### Science

- In Science we have continued to look and forces and magnets in particular non-contact forces. We looked at and thought about gravity and how the earth has its own powerful magnet. We have also had great fun with magnets too!

### Geography

- In Geography we have looked at What are the physical and human landmarks of England and Scotland? These have included looking at different bridges, mountains and famous landmarks.

### PE

- We have continued to practice our skills of aiming, bouncing, throwing and catching using different balls. We have now learnt 8 poses in yoga and have put them into a flow.

### Art

In Art we have looked at primary colours and how to mix them to make secondary colours. We have painted concentric circles to create a mandala and have drawn detailed repeating patterns and designs.

•

### News

#### Academic Excellence

Well done to the following children who have been our 'Workers of the Week'

- ❖ Eleanor O, Harley B
- ❖ Isaac Mc, Teddy R

### Clubs

- Clubs have all started and children have been enjoying them.

### PE

Children can attend school in full Whiston Willis PE kits on Monday and Wednesday.

To see all our latest learning and for school updates, please follow @Zebraclassww and @WhistonWillis1 on twitter.

**Thank you for your continued support**

Miss Harrison
