

Nursery News

Friday 24th April 2026

In Nursery this week...

Children have enjoyed learning about different buildings and structures and have proved to be very imaginative when designing and making their own buildings in our construction area. Everyone enjoyed our "mystery materials" game, guessing and describing materials in a feely bag. We also developed counting, comparing and measuring skills when making towers from different resources.

Excitement is building as our caterpillars arrived in Nursery this week. We will observe the growth and development of caterpillar eggs to butterfly.

In Nursery next week...

We will continue to learn and explore different materials and buildings over the next few weeks with the story "The Three Little Pigs".

We will be reading the story "The Very Hungry Caterpillar", making our own caterpillar diary and exploring and tasting a range of different fruits.

Stay and Play sessions

Please join us for our Stay and Play session in Nursery on Wednesday 29th April. Letters have been sent to inform you of your session time.

PLEASE NOTE- Afternoon Stay & Play session will begin at the slightly earlier time of 1.45pm.

AM session is 10.30am

Reminders-

*PE day is on Fridays. Please send children to Nursery wearing dark leggings or jogging bottoms and pumps or trainers.

*Please label your child's belongings in particular jumpers and cardigans.

*Please return home-school diaries on Mondays.

Home Activity...

Next week, we will be looking at the food that the Hungry Caterpillar eats on each day. Please help your child to say the days of the week in order, talking about anything that children may do on certain days of the week. Children have also learnt a days of the week song to sing to you at home.
