

Pangolin Class Newsletter

24/04/26

We are already 2 weeks in to our Summer term and the children have settled back in brilliantly after a lovely Easter break. Thank you to all the parents who made appointments for our recent parents evening. It was great to catch up with you all and share all the successes the children have had so far this year, as well as next steps for moving forward. If you have not managed to make an appointment please speak to a member of staff and we will find a convenient time to meet with you.

English

The children have just finished their final write, a factual report on plants.

Maths

In Maths, we have started our topic of money. The children have been using their addition and subtraction knowledge to find the value of items.

Science

In Science, our unit this half term is Plants. This week the children have been exploring what happens if plants don't get the things they need.

History

In History this half term, the children have been looking at the history of Whiston.

Geography

In Geography, we are exploring the differences between England and Kenya. We have been exploring Kenya's capital city of Nairobi and the similarities and difference with both Nairobi to London.

PSHE

In PSHE, the children are starting our new topic of Relationships and how each family is different.

ART

For our Art is textiles and colleges. The children will be using different materials and textures to create these colleges.

RE

In RE, the children have been learning about special places to them and looking at places of worship.

PE

This half term we are completing Athletics, looking at different running techniques.

News

Daily Reading at home

Please spend 10 minutes reading with your child, and record this in their reading records, it helps them to become confident and fluent readers who can move through the Read, Write Inc scheme. We have spoken to the children about taking ownership for this and being able to write in their own records when parents are busy. The children have been enthusiastic about having this responsibility. We appreciate your support from home.

Uniform

Please ensure your child's uniform is labelled clearly with their name. This will really support staff in returning any lost uniform particularly as the weather gets warmer and children are taking off their cardigans and jumpers in class and on the playground.

Water Bottles

Please ensure your child has a water bottle with them in school each day.

Star of the week

Lucas

Thank you for your continued support

Mrs Askew, Miss Simms and Miss Young and Miss Richardson
