

Zebra Class Newsletter

Issue 10

Messages

- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe

English

- We have started our new text this week The Search for the Giant Arctic Jellyfish. We have thought about probing questions we could ask. We have written a letter including some of the questions and thought about how the character is feeling.

Maths

- We have continued our chapter all about money, thinking about how much items cost and how much they cost with a discount. We have used column addition and subtraction to work the answers out. We have also thought about how much money a character would have left after spending money.

Science

- In Science we have continued our topic on plants. We have looked at what things are essential for a plant. Ask your child what plants absorb and what they excrete.

History

- In History we have started our new topic all about the Romans. We have considered the question who were the Romans? We discovered that they had powerful armies and strict rules of law. They built drains and aqueducts.

PSHE

- In PSHE we have started our new puzzle piece Healthy me. We have discussed what our bodies need to stay fit and healthy. We have set ourselves a challenge to improve our fitness by increasing the number of star jumps, squats and more over the term.

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week'

- ❖ **Aurora Grace WK, Reuben R**

Clubs

- Clubs have all started and children have been enjoying them.

PE

Children can attend school in full Whiston Willis PE kits on **Monday and Wednesday.**

To see all our latest learning and for school updates, please follow our school facebook page

Thank you for your continued support
