

# Nursery News

Friday 27<sup>th</sup> March 2026

In Nursery this week...

Children have had a busy week making Easter cards and we ended the week with a lovely Easter Bunny's tea party and Easter egg hunt. We have really enjoyed thinking about our class question "Are eggs alive?" where we have learnt all about the growth of living things and Spring changes.

## Home Activity...

As the older children will begin their last term in Nursery, we're sending home a copy of our Phonics (Read, Write, Inc) letter sounds.

When learning and naming sounds, please use letter sounds rather than letter names. For example, say *a* as in *cat*, not *a* as in *cake*.

Next term we will explore the question, "How does that Building stay up?" Please help your child to notice and describe the different buildings that they see in their immediate environment ready for our new theme of learning. If you have any empty cardboard boxes, please send into Nursery for our model making.

## Stars of the Week

**Nancy M & Connor Mc**

We finish for half term today and return on Monday 13th April. Thank you for your support this term. We wish you and your families a Happy Easter!
