News

Just wanted to say a massive well done to all our reception children for working so incredibly hard this Spring Term. We hope you all have a wonderful Easter Break and a big thank you for your continued support!

Phonics

Children are making excellent progress with phonics and reading. We will be sending home additional QR codes with extra leaning after the holidays and reading for pleasure book weekly for you to share with your children.

Literacy

We have finished the term on a high with many of our children writing words and simple sentences. We are working hard during our handwriting practice sessions and using our Read Write Inc Scheme to support correct formation. We will send home extra practice sheets and QR codes after Easter break also!

Maths

This week in maths the children used their previous experience of investigating doubles to begin to practically explore even and odd numbers. They have also investigated doubles through practical arrangements of objects, including their own fingers. Recognising patterns of number builds a deeper understanding of our number system and will support continued exploration and understanding of number fact work

Other

Following our PHSE Curriculum Jigsaw- This term we have focused on, Healthy Me. We have learnt all about how to make healthy choices, eat healthy, having a balanced diet. We have looked at our physically self and have practiced keeping active and keeping themselves and others safe ; Understanding how to be a good friend and enjoy healthy friendships also.

Reminders

Can we ask that no items from home are brought into school please as they may get lost or damaged. Please send in any unwanted dress up or boxes for our box modelling!!

Please remember **snack is £1 a week**. This can be paid weekly or termly. Speak to a member of the reception team if you have any questions.

Thank you for your continued support

Mrs Halsall
