

Penguin Class Newsletter

Messages

What a great few weeks it has been in Penguins! Alongside all our Christmas concert rehearsals, our newly formed pupil leadership team held their first meeting. They showed wonderful maturity and enthusiasm, and we're excited to see where their ideas will take us.

English

Over the past few weeks, we have really enjoyed exploring *The Barnabus Project*. The children have produced some fantastic work and have now completed the unit by creating their own brochures for a pet store specialising in "not-so-perfect" pets.

Maths

We have finished our multiplication and division chapter by applying our skills to solve a range of word problems. We have now moved on to a new chapter, focusing on formal written methods of multiplication.

Science

We have wrapped up our topic on Rocks and have begun our new unit: Animals Including Humans. We started by looking at different food groups and what makes a healthy, balanced diet. This week, we explored the human skeleton and discussed its important functions.

History

In History, we have been thinking about how the Bronze Age differed from the Stone Age. The children have compared the two periods and explored how life changed for humans over time.

News

Academic Excellence: Well done to the following children who have been our 'Workers of the Week':

- **Week 2:** Rishan and Rory
- **Week 3:** Harry and Lenny

PE: Children can attend school in full Whiston Willis PE kits on Monday and Thursday.

Parents evening: Wednesday 10th and Wednesday 17th December

Year 3 and 4 Christmas Carol Concert: Monday 15th December: 1:00pm – 1:40pm
