

Zebra Class Newsletter

Issue 5

Messages

- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe
- ❖ We have a very busy few weeks ahead of us! We hope to see you at Our Christmas concert on the 15th December.

English

- We have really enjoyed The Barnabus project over the last few weeks and have completed some great pieces of work. We have finished our work on The Barnabus Project by writing our own brochure for a pet store for not so perfect pets.

Maths

- We finished our chapter on multiplication and division by solving some word problems. We have moved onto a new chapter in our maths focussing on formal written methods of multiplication.

Science

- We have finished our topic all about Rocks and have moved on to animals including humans, where we have discussed different food groups and what makes a healthy diet. This week we have looked at the human skeleton and what it does.

History

- ❖ In History we have thought about how was the Bronze Age different to the Stone Age? We have made comparisons about how life changed for humans during these times.

PE

- We have continued our work on balances and jumps in gymnastics using the equipment and climbing frame. We have used points and patches and tuck, straight and star jumps. We have completed dribbling skills with the ball in our lesson with LFC foundation.

PSHE

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week' in recent weeks:

- ❖ Sai Sri M, Lottie G
- ❖ Vincent A, Harley B

Clubs

- Children have been enjoying our range of extra-curricular clubs offered to them.

PE

Children can attend school in full Whiston Willis PE kits on Monday and Thursday

To see all our latest learning and for school updates, please follow @ZebraClassWW and @WhistonWillis1 on twitter.

Thank you for your continued support

Miss Harrison
