

Nursery News

Friday 6th February 2026

We have had a busy week completing activities linked to our "Talk for Writing" text "Goldilocks and the Three Bears". We created our own story map to sequence the story, practised our cutting skills making bear masks and enjoyed number and size activities linked to the story.

As part of our early phonics sessions, everyone enjoyed making shiny rhyme rockets to help teddy fly to the moon and outdoors, in our wizard's workshop area, children made rhyme potion pots.

Next week, Children will be learning all about Chinese New Year. We will be using musical instruments to accompany a dragon dance and our role play area will be our own class restaurant!

During our last week before the half term break, children will complete our shiny learning making our own shiny orchestra to perform on stage!

Home Activity

**Please help your child to find sets of rhyming objects at home. For example, block/sock, chair/bear, pan/can, hat/mat, car, star
We would love to see your rhyming pairs brought in to Nursery on Monday.**

Reminders

*Please remember to return Home-School diaries on Monday to support our oracy circle time sessions.

*Nursery closes on **Friday 13th February** for the half term break.

Learning Stories

Children who started Nursery in January will have received a learning story with photographs and observations of how they have settled. Please complete the parent voice sheet and return to Nursery. Thank you.

Stars of the Week...

Jude M & Georgie E

Many thanks for your ongoing support.
