

Zebra Class Newsletter

Issue 9

Messages

- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe

English

- We have continued with our work on The Pied Piper of Hamelin and this week we have written our own version of the story. We changed the characters magical instrument, the name of the town and main character and thought about a different type of infestation too. We have enjoyed this!

Maths

- We have completed our chapters on measure using metres, centimetres and millimetres and have been converting different measurements to the same unit to be able to compare them. We have also looked at capacity and volume using litres and millilitres

Science

- In Science we have started our new topic in Biology looking at plants. This week we have looked at what plants need to thrive and survive.

History

- In History we have looked at when was the Iron Age? What was the Iron Age like? How do we know? We have looked at how iron was made and how it was different to the Bronze Age.

PE

- We have continued to work on our strength and balance with our yoga poses and in our ball skills we have looked at attacking and defending when playing a game. We have used different passes to throw the ball to attack.

Art

- This week in art we have continued to look at patterns and have used dip, dip, dab method to mix colours. We have also used controlled, slow movements to fill in blocks of colour in small spaces in order to create prints using a collagraph block

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week'

- ❖ Lilah W, Noah C
- ❖ James W, Aleah C

Clubs

- Clubs have all started and children have been enjoying them.

PE

Children can attend school in full Whiston Willis PE kits on **Monday and Wednesday.**

To see all our latest learning and for school updates, please follow our school facebook page

Thank you for your continued support

Miss Harrison
