

Penguin Class Newsletter

Messages

Penguin Class has had another fantastic week! Everyone has been working hard and showing great enthusiasm for their learning. We continue to focus on The Whiston Willis Way and our school values: Be Respectful, Be Responsible, Be Safe.

English

In English, we are finishing our narratives based on Leon and the Place Between. The children have worked really hard to create their own versions of the story and have been using their writing skills to make them exciting for the reader. Next week, we will begin our new book, The Barnabus Project, where we will work towards creating our own pet shop brochures.

Maths

In maths, we have been developing our addition and subtraction skills. We have been learning how to add and subtract with regrouping, using our understanding of place value to help us solve calculations accurately.

Science

In science, we have continued our learning about rocks by becoming scientists and carrying out an investigation! We investigated whether a rock sample was limestone or chalk by adding vinegar and carefully observing whether it reacted and fizzed. The children enjoyed making observations and using the results to help them draw conclusions.

News

Well done to the following children who have been our 'Workers of the Week' the last two weeks:

Week 5: Aisha and Eliyanah

Week 6: Caleb and Jack

PE

Children can attend school in full Whiston Willis PE kits on **Monday** and **Tuesday**.

Events

Monday 12th October: Year 3 will be taking part in a keyboard workshop with Merseyside Music Squad.

To see all our latest learning and for school updates, please follow our school Facebook page. Thank you for your continued support,
Miss Armstrong
