

Zebra Class Newsletter

Messages

Zebra Class continue to settle well into Year 3. We have been reminding ourselves of The Whiston Willis Way and talking lots about our school values: Be **Respectful**, Be **Responsible**, Be **Safe**.

English

In English, we have completed our final story influenced by Leon and the Place Between. Using everything that we have learnt, we have created some lovely magical stories of our own! We have now started our new text, The Barnabus Project, using expanded noun phrases to create our own perfect pets.

Maths

We start each day with Early Bird Maths, a great way to warm up our brains and consolidate prior learning. In maths lessons, we have been exploring basic addition and subtraction, using lots of practical resources such as the base tens to help us with renaming.

Science

Our science topic is all about **rocks**. We have been working hard exploring different types of soil, investigating what it is made from and getting very mucky in our digging!

Other Subjects:

- **History:** Prehistoric Britain - The Stone Age to Iron Age
- **Guided Reading:** 'Lost Species' by Jess Long
- **Geography:** Fieldwork and map skills - reading maps
- **PE:** Fundamental movement skills and dance (Day at the Beach)
- **PSHE:** Being Me in My World - creating our Class Charter

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week' this week:

- Elsie L and Georgios

PE

Children can attend school in full Whiston Willis PE kits on **Tuesday** and **Wednesday**. Please ensure that your child is in the correct kit.

To see all our latest learning and for school updates, please follow our school Facebook page. Thank you for your continued support,
Miss McCahey
