

Pangolin Class Newsletter

09.10.26

We can hardly believe we are nearly at the end of our first half term. The children have been working so hard, settling in beautifully and, most importantly, having lots of fun along the way! It has been a wonderful few weeks, and we are so proud of everything they have achieved so far. We are looking forward to all the exciting learning and experiences still to come!

Thank you for all the donations for our Harvest Festival foodbank collection.

English

The children have been writing a sequel to the story 'Jim and the beanstalk'. They are doing so well and I have loved reading their work!

Maths

In Maths, we are learning how to do addition of 2 numbers using the column method. Any practise of this at home would greatly support your child.

Science

In Science, we have been learning about living things. We have been completing food chains looking at who are the consumers.

History

In History this half term, the children have been looking at the history of the Great fire of London in 1666.

Geography

In Geography, looking at human features in the local area. We are looking forward to our local area walk next week.

PSHE

In PSHE, the children have been enjoying our new topic 'Being me in my world'

RE

In RE, the children have been learning about how we use our hands and learning our Harvest song 'Autumn Days'.

News

Daily Reading at home

Please spend 10 minutes reading with your child, and record this in their reading records, it helps them to become confident and fluent readers who can move through the Read, Write Inc scheme. We have spoken to the children about taking ownership for this and being able to write in their own records when parents are busy. The children have been really enthusiastic about having this responsibility. We appreciate your support from home.

Uniform

Please ensure your child's uniform is labelled clearly with their name. This will really support staff in returning any lost uniform. Reminder that our PE days are Tuesday and Thursday.

Water Bottles

Please ensure your child has a water bottle with them in school each day.

Star of the week

Alfie

Thank you for your continued support.
Mrs Askew and Mrs Williams
