Nursery News

Friday 20th October 2023

This week in Nursery we have enjoyed sequencing the story "Monkey and Me". Children enjoyed using props and visual images to repeat phrases to sequence the story and make a class washing line of events.

To support our early phonics, we considered animal sounds and played environmental sound guessing games.

We have enjoyed lots of outdoor learning in our bug garden and grassed areas. Children planted hyacinth bulbs and began a photo diary to record growth and change over time. As always we have enjoyed our music sessions and learnt some action songs and rhymes.

Next week we will complete our learning about ourselves and families. Everyone is looking forward to baking cakes to decorate in our 'Stay and Play' session with our families. Parents/carers are welcome to attend either the Tuesday or Thursday session next week.
