

Lion Class Newsletter

Messages

- Wow! The past fortnight has been super busy. We have celebrated Inter Faith Week, Anti Bullying Week, World Children's Day and Children in Need. Thank you for all the support from parents/carers! We have also been working so hard in class and have come to the end of English unit, Cinnamon and have now moved on to Shackleton's Journey, which I think the children are going to absolutely love! We are already seeing fantastic outcomes!

English

- ❖ We have finished our unit on Cinnamon and wrote our own version of a narrative taking on the style of Neil Gaiman. Now, we have moved onto the wonderful Shackleton's journey by William Grill. Taking us through the expedition on board the Endurance through the hazardous waters of Antarctica! Ask the children about some of the crew members on board and what they noticed about the 26 crew members who were recruited.

Maths

- ❖ We are continuing to build on our knowledge around multiplication and division. Year 4 are making fantastic progress around multiplying by 7, 9, 11 and 12 and are now moving to division. Year 3s are working super hard with their 3, 4 and 8 times tables. Times Tables are super important skills and should be practised regularly at home.

Science

- ❖ We are loving our science learning around Rock Cycles. We now know the three rocks Igneous, Metamorphic and Sedimentary and can explain how they are formed. We will continue next week with some working scientifically exploration.

Geography

- ❖ This week we have completed our geography essays around The North West and we are moving on to Mountains and Rivers. The children are reciting their geography knowledge tremendously and I am super proud!

Music

- ❖ We are making such fantastic progress with our guitar lessons and the children are loving it! We even have two children with their own guitars now! We are learning a Christmas song to perform as a little festive treat!

R.E

- ❖ This week we began to apply our knowledge of angels to the Islamic Faith and we learned that they also believe in angels. There are so many comparisons between how angels are perceived in the Bible and the Qur'an.
