

Nursery News

Friday 17th September 2021

It has been lovely to see how well all of our Nursery children have settled! Everyone has been happy exploring areas around Nursery and forming lovely friendships. We have been busy learning Nursery routines and selecting and handling play equipment. Children are already so independent!

Everyone has enjoyed playing lots of games to learn our friends' names and to get to know one another. We have also learnt some new songs and rhymes.

We have started our topic called "Why do you love me?" and have enjoyed drawing and painting pictures of ourselves and our families.

Thank you for sending in baby/family photos. We learnt so much about how we've grown and enjoyed guessing each of the babies. All photographs will be returned to you soon. Our portraits wall display is complete. Children loved creating their own face portrait using a range of natural materials.

Next week in Nursery...

We are looking forward to a visit from a baby boy and his mummy for a "Question and Answer" session. We have lots of questions ready to ask to find out about babies and what they need. We will be sorting items for a baby, toddler and child and will be bathing the babies in our role play baby clinic.

REMINDERS...

*Snack money is £1 per week. Please pay on Mondays.

*Home-learning packs will be sent home every Friday and should be returned on Mondays.

*Please label all of your child's clothing, in particular cardigans, coats, bags & jumpers

*Please remember to follow [@MrsKFitzgerald](#) and [@MrsAttwood02](#) on Twitter to view updates on your child's learning in Nursery.

Home Activity

Please encourage your child to name their new friends in Nursery. Children can use the "faces" worksheet to draw facial features on each of the blank faces to represent their friends. Try to talk to your child about how to draw a face, hair colour and counting eyes, nose, ears, mouth.

All new starter children will receive an updated funding form for completion. Please return to Nursery.

Many thanks for your support.
