

Nursery News

Friday 1st October 2021

In Nursery this week...

Nursery have been thinking about ways to show our friends that we care and we have been developing skills that are important within our friendships.

Our book of the week has been "Peace at last" where we re-enacted the story learning all about speech bubbles and characters! Everyone enjoyed some listening games and identified lots of environmental sounds and favourite sounds. Making shaker pots to create sounds has been a fun activity and great to accompany our Music sessions! We also enjoyed building a performance stage where everyone enjoyed singing favourite nursery rhymes.

In Nursery next week...

We will begin our "Talk for Writing" focus with the story "Monkey and Me". The story provides great opportunity to develop an understanding of story sequence and characters using repeated refrains and language development.

Stay & Play

We are inviting all Nursery parents and carers to join us in Nursery for a "stay and play" session with your child. Time will be spent playing alongside children with a range of activities as they learn and play in Nursery. We look forward to seeing you...

Squirrel Class- *Wednesday 20th October 10.30-11.30 am*

Rabbit Class- *Thursday 21st October 2-3 pm*

We hope you can join us!

Stars of the Week...

Squirrel Class- Jules M & Elsie T

Rabbit Class- Tia M & Rory S

Reminders

Please return funding forms to Nursery on Monday 4th October if you haven't already done so.

When you receive your child's learning story, please could we ask parents/carers to complete the parent's voice sheet and return to Nursery.

Home Activity

Children will be bringing home a love heart. We would like you to talk to your child about why you love them so much and write a comment on the heart to describe.

These will be shared in our "Show and Tell" session on Monday. Many thanks.
