

Panda Class Newsletter

24.09.21

Firstly, thank you to all the parents who attended the welcome meeting this week. It was lovely to see so many engaged parents and to get to know our new families for the year ahead. Panda Class have been working really hard on their behaviour and work ethic this week. Their independence and confidence is growing every week and it so delightful to see.

English

- The children have enjoyed our English sequence and have started to publish their own books. We have decided on our own characters and items and have adopted the author's style to write our stories.

Maths

- In maths, the children have been using the part part whole method. We have been investigating how we can break two-digit numbers down into two different parts that add together to make the whole number.

Science

- We have started to explore different sounds within the environment. Panda Class have learnt how sound is a series of vibrations which move through the air. We have also discussed what happens if you're unable to hear sound and how these people communicate. Ask your child to show you how to say yes and no in sign language.

Geography

- The children have been exploring our school grounds and identifying features. We have also spoken about how Whiston is a village, Prescot is a town and Liverpool is our city.

PSHE

- In PSHE, the children have been doing a lot of work around what it means to be a role model. We have also discussed appropriate rewards and sanctions for our choices.

News

Clubs

There are still some places available for gymnastics club. If your child would like to attend, please enquire.

GoRead

Thank you to all the parents who have engaged with our new online reading record system. If you haven't already or would like further support, please do not hesitate to come see me.

Clothing

Please can you ensure your child has their name written in any cardigans or jumpers they wear to school. This would help us to prevent any pieces of clothing from being misplaced or lost.

To see all our latest learning and for school updates, please follow @MissMurdochWW on twitter.

Thank you for your continued support
