

Panda Class Newsletter

3.12.21

English

- We have just finished our book called Dinosuars and All That Rubbish. This week, the children have written command sentences and have made leaflets about saving our planet.

Maths

- In maths, the children have worked really hard consolidating their knowledge of number bonds, addition and subtraction, as well as completing their end of term arithmetic test.

Science

- In Science, the children have continued learning all about the topic called Light. This week, they have learned all about day time and night time and how countries all around the world have different time zones.

Geography

- In Geography, the children really enjoyed writing directions for Willis the Whale to ensure he didn't get lost whilst travelling around the world. The children had fun sending Willis to China, America and Australia.

PSHE

- In PSHE, the children completed circle time about kindness. They made compliment cards for their friends and family, which was really kind!

D.T.

- The children continued their DT unit on Sliders and Levers. This week, the children really enjoyed making their own dolphin slider. They had lots of fun!

RE

- The children continued their work about Diwali but this week, they linked it to Christmas. The children explored the similarities and differences between both festivals.

Music

- In Music, the children enjoyed using glockenspiels to add instrumental sections to their performance of the song 'Hey You'.

News

All children will be bringing home a book to share and enjoy reading together. These books will be changed each week, please return these books on a Friday to be changed weekly. We want to work together to develop the children's enthusiasm and love for reading.

Friday 10th December –Christmas jumper day (£1 donation if possible)

Thank you for your continued support
