

Pangolin Class Newsletter

08.10.21

It has been a busy couple of weeks in Pangolin class. We are settled into our routines and have been really impressed with the progress the children are making already! Now the weather is getting colder, please remember to send children in with coats and check that their names are in them.

English

- Our new sequence of learning is based on the book 'The Magic Bed' by John Burningham. This week, the children have enjoyed using their imagination to describe places they may visit in their dreams. They have been able to use a wide range of adjectives and have made predictions about what they think may happen in the book.

Maths

- In maths, the year 2 children have started addition and subtraction. This week we have begun to add 2 digit and 1 digit numbers together by counting on.
- Our year 1 children have been comparing numbers, looking at using vocabulary such as more than, less than and equal to. They have been able to put 3 numbers into order from greatest to smallest.

Science

- We are really enjoying looking at sound this half term. The children are able to describe how sound travels and are noticing loud and quiet sounds in the environment.

Geography

- This week, the children have used an aerial map to identify features of our school. We have been really impressed with the children's knowledge of their local area.

PSHE

- In PSHE, the children have learnt a lot about rewards and consequences. They are understanding how important our class charter is to help themselves and others learn.

News

ScoutFit

The children are really enjoying using the scooters at lunchtimes. 4 children are selected daily to take their turn.

GoRead

A reminder to those who have not yet logged on to GoRead. Please see the class teacher for further support. Reading for 5 minutes each night will really benefit your child's development in reading.

Mental Health Day 2021

This Sunday is World Mental Health Day. Now day to day routines return, it is important to remember to look after ourselves. Mental Health begins with me!

To see all our latest learning and for school updates, please follow [@MrsAskewWW](#) and [@MrsSimpsonWW1](#) on twitter.

Thank you for your continued support
Mrs Askew and Mrs Simpson
