

Wolf Class Newsletter

Issue 4

I would just like to say a huge well done to all the children for their fantastic work during this half term. Children have worked so hard and produced some excellent pieces of work throughout the whole curriculum. Please check out our class twitter page @MrWongWW to see what we have been up to. Have a lovely half term and a well-deserved rest.

English

- Children have loved learning all about tight-roper, Philippe Petit through the text 'The Man Who Walked Between The Towers' by Mordicai Gerstein – children have produced some fantastic pieces of writing including; a report, a recount, an interview, a newspaper article, a persuasive speech and a biography. When we return we will be looking at the book 'Anne Frank' by Josephine Poole and Angela Barrett.

Maths

- In maths, Year 5 have finished their unit of work on addition and subtraction and have started multiplication and division – we have started by identifying multiples and factors. Year 6 have been using formal written methods to solve division leaving answers as decimals and have also started identifying common factors of numbers.

PSHE

- This week, we have looked at democracy and voted for our own rights that have now formed our class charter. We have signed our class charter showing we are all committed to ensuring our rights are met. These rights will be used throughout the year to ensure children are following our class expectations.

Geography

- We have been discussing how icebergs and glaciers are formed and how humans effect our Polar Regions. We have looked at global warming and are able to identify the consequences of global warming and how we can help reduce greenhouse gases. When we return, children will be demonstrating their learning and understanding of the Polar Regions by answering our geography essay question.

Reading

- We have started our new text called 'The Polar Bear Explorers' Club' by Alex Bell. We have already used inference to predict, retrieved information from the text and discussed vocabulary in context. After half term, we will continue to explore the text in more detail.

News

Reading

Well done to all children that have received reading certificates for their commitment to reading and Accelerated Reading over the past half term. As a class, we have also reached a fantastic 3 million words. Well done Wolves!

Clubs

Club letters have been sent out for next half term and children must sign up online using the QR codes provided. Limited spaces are available so please make sure you sign upon line ASAP.

Homework

Children have now received homework letters outlining our class expectations – please ensure your child engages in home learning weekly.

Robinwood

Letters for Robinwood have been given out to children in year 6 – please ensure you sign your child up on parent pay and pay the deposit if you wish for your child to attend.

Parents Evening

Children have been given parents evening letters outlining how parents evening will work after half term – please return letters ASAP.

Important Dates

Monday 1st November – Start of Autumn 2 Term

Week Commencing Monday 8th November – Parents Evening
