

RE: Extra-curricular Clubs

Dear Parents/Carers

From Monday 13th September, we will be offering extra-curricular clubs. Each club will have a maximum capacity of 25 and requires you to sign up using Microsoft Forms. If any children are not allocated a space due to capacity, they will be given first choice in the next half-term to select the club they wish to attend.

All children in Key Stage 2, will be dismissed using the year 5 and 6 entrance on Weyman Avenue.

All children in Key Stage 1, will be dismissed using the main entrance on Milton Avenue.

Below you will find a table, detailing the information along with a QR code, which will take you to the relevant sign up page.

Please note – as multi-skills and gymnastics are provided for by specialist coaches, there will be a cost to attend these clubs. Multi-skills is a 6 week programme and so an upfront cost of £6 is required and gymnastics is a 12 week programme and requires a £10, upfront cost. This cost is non-refundable due to allocating the slot to your child. All payments are to be paid through ParentPay, do not send cash into school.

Day	Club	Year Groups	Staff Member	Time	Sign up
