

English

This half term we are studying the texts, Beowulf by Michael Morpurgo, The Man Who Walked Between the Towers by Mordicai Gerstein, Anne Frank by Josephine Poole and Angela Barrett. Through these texts, we will be learning how to effectively write for a range of audience and purpose.

Guided Reading

Applying all reading skills to a range of contexts including, fiction, non-fiction, poetry and media.

Science

Particle and Chemical Reactions - children will learn about pure and impure substances. They will recap on particle arrangement in solid, liquids and gases. They will then learn about 5 signs of chemical reactions.

R.E

Christian Faith - children will learn about Corrie Ten Boom and how she put her faith into action.

PSHE

Being Me in My World - children will identify goals for the year and explore global citizenship. They will learn about their rights, responsibilities and democracy, contributing to their whole class charter.

Music

Jazz 1 - children will listen and appraise music from South American singer Bossa Nova before using Glocks to improvise.

Whiston Willis Primary Academy

Year 6

Curriculum Map Autumn 1

P.E

Brilliant Ball Skills - Children will be aware of others when playing games and choose the correct skills to meet a challenge. They will learn to dribble a ball with greater control.

Gymfit Circuits - identify techniques to improve balance and master basic movements, agility and coordination.

Computing

Online Safety - children will gain a greater understanding of the impact that sharing digital content can have.

Maths

Children will read and represent numbers to 1 000 000 as well as compare, order and round. They will add using the 'counting on' strategy with concrete materials and number lines and subtract using the 'counting backwards' strategy with concrete materials. Children will consolidate and review multiplication and find common factors of numbers up to 100.

Geography

The Polar Regions - children will learn all about The Polar Regions located in the Arctic and Antarctic. They will learn about the countries which inhabit the Polar Regions and the physical features. They will also learn about Global Warming and the affect that this is having on our planet.

Art and Design

Ben Mosley - children will research the contemporary British artist Ben Mosley. They will explore colour and practise the skill of drawing in their sketch books before imitating the work of Mosley.
