

WHISTON WILLIS PRIMARY ACADEMY

Year Group: Years 3 and 4 (KS2) Date: Monday 20th April 2020

Subject: Geography - Around the World and Europe

LO: I can locate European countries.

Prior learning: Can you name the seven world continents?

Key Facts:

- The UK is situated in the continent of Europe.
- There are 44 countries in Europe, one of these countries is the UK. Western Russia is part of Europe.
- Popular countries within Europe are UK, Germany, Spain, France, Italy and Netherlands.

New learning:

The following links might be useful to help you learn some European countries:

- https://www.youtube.com/watch?v=zOti8U_-BNM
- <https://www.ducksters.com/geography/europe.php>
- <https://digimapforschools.edina.ac.uk> (log in details - username: L352XY password: kemmed8588)

Activity 1:

Purple Mash - 2do - European Countries - Use your learning to help you identify the European countries, using the quiz on purple mash. You can use any resources that might help you. If you have an atlas or globe this will help too.

You can complete this activity as many times as you wish throughout the week - see if you can beat your previous score.
