

Home Learning – Geography

Year Group: 3 and 4

Date: Monday 27th April 2020

Subject: Geography

L.O.: I can name and locate the capital city of different European countries

Prior Learning:

- name and locate the seven continents
- name and locate different European countries

New Learning:

- to name and locate the capital city of different European countries (e.g. London is the capital city of England)

In order for you to learn the names of different European capital cities, try watching the following videos:

<https://www.youtube.com/watch?v=yJZV7NC3TPs>

<https://www.youtube.com/watch?v=O7qxbJzliD8>

To help you learn the locations of different European capital cities, use the following resources:

<https://www.youtube.com/watch?v=valDGQsDQIQ>

https://www.ducksters.com/games/europe_capital_cities_map_game.php

Activity:

Purple Mash 2do – *European capital cities* – Use your new learning to help you identify and label the locations of different European capital cities using the quiz on Purple Mash. You can use any resource to help you. A globe or an atlas would be an excellent way of locating the capital cities.
