

# French Partner School

During the school year 2018-9, our 8-10 year olds have been communicating with pupils of the same age in Ecole Villiers le Morhier in Rambouillet, France.

Headteacher - Mr Mike Saulnier

Class teacher: Sabrina Hetrit

School address: Ecole de Villiers le Morhier  
9 rue de la mairie  
28130 Villiers le Morhier  
France

Through the year, we have corresponded by post and email, exchanging information about ourselves, our schools and classrooms and our curriculum. We made and exchanged Christmas and Easter cards and parcels. A particular focus was on sharing and comparing key Global Learning activities and details of this can be found under European Day of Languages, Amnesty Art, International World Book Day and Centenary of World War One pages. We are also sharing details of our "Zoo project" and began by sending our partner school an animal names challenge, linked to our class names. They have responded with their own animal name challenge.
