

# World Book Day

In March, all our classes enjoyed an international theme for World Book Day. Each year group explored a different French text including "Heads, shoulders, knees and toes", "Dear Zoo", "Goldilocks" and "The hungry caterpillar.". We shared this experience with our French partner school, emailing examples of our work. Year 6 created their own book of "Otto" in French which we posted to our partner school and they emailed their response. Our partner school studied "Charlie and the Chocolate Factory" in English and sent us photographs of the class members with their Wonka bars and golden tickets.
