

Friday 11th September

Dear Parents/Carers,

In the event of school partially closing or individuals or groups isolating, there will be full access to sequenced learning on your child's class page of the school website for while they are absent.

<https://www.whistonwillis.co.uk/pupils/class-pages/>.

Providing that your child is not ill or showing symptoms of COVID 19, the expectation will be, that they complete the daily learning set out on the timetable for the days that your child is absent from school, whether it be two days or two weeks.

This will be uploaded in two-week blocks, which will be the maximum time your child may be at home isolating. Please check your child is accessing the correct week's learning.

The learning is set using The Oak National's online classroom

<https://classroom.thenational.academy/>, giving you access to teacher – led lessons for a range of subjects. The lessons have been chosen and timetabled by your teacher to coincide with the learning taking place in school or to reinforce learning that has already taken place. Simply click the link on the timetable and it will take you straight to the appropriate lesson.

Any work completed by your child should then be photographed and uploaded to your child's online platform on Purple Mash, where your child's teacher can review and offer feedback. (Please see the link on your child's class page for support on how to do this).

You child will also have access to:

Spelling Shed <https://www.spellingshed.com/en-gb/>

Times Tables Rockstars <https://trockstars.com/>

Purple Mash <https://www.purplemash.com/sch/whiston>

Please contact your child's class teacher if you require support with usernames and passwords.

If you require any further support with anything, please contact school on 01514778270 or email on whistonwillis.de@knowsley.gov.uk.

Thank you for your continued support.
