

Nursery News

Friday 9th January 2026

Happy new year and welcome back to a snowy week in Nursery! Everyone is settling well and our older children have been great helpers, supporting our new friends with our Nursery routines and activities. We started the week describing and drawing our favourite toys after reading our book of the week, "Kipper's Toybox". We will be starting our new theme of learning "Is it Shiny?" with shiny maths challenges and music activities using shiny instruments. Outdoors in our mud kitchen, we will be making glittery potions and creating a Wizard's workshop! We will be "shiny detectives" finding and sorting shiny objects and comparing to objects such as wood, metal, fabric and stone. Details of this term's curriculum overview can be found on our "Squirrel class" page on the school website.

Home Activity...

Let's have a shiny hunt at home! Please help your child to find something shiny to bring into Nursery on Monday. These items will be displayed and used to compare with non-shiny items. They will be returned to you next week. Shiny item ideas include spoons, foil, hair clips, wheel on a toy car, coin, pen, jewellery etc.

Reminders...

- *The closing date for Reception class school applications is 15th January 2026.
- *Snack money is £1 per week or £6 for the term ahead. (£2 per week or £12 for the term if attending 30 hours). Snack is provided daily with fruit and milk.
- *Please label your child's belongings such as coats, cardigans, hats, wellies and bags.

Stars of the Week...
