End of Year 2026

Wow! Can you believe we are at the end of the academic year?

We only have one week left at Whiston Willis before your children begin their exciting journey to high school. It is hard to believe how quickly this year has flown by!

Over the past few weeks, we have packed so much into our final term and created some wonderful memories together. The children have enjoyed our Football Engagement Day, a trip to the park, a fantastic water fight, and our thrilling school trip to JUMP. It has been wonderful to see them having fun together as they complete their final weeks of primary school.

This week we will be completing our World Cup project, putting the finishing touches to our Leavers' Assembly, signing shirts and making the most of our final days together before saying goodbye.

A Final Message

This year has been an absolute privilege. From preparing for SATs to preparing for high school, it has been a joy to teach every single member of Cheetah class.

I would like to thank all parents and carers for your support throughout the year- whether that was helping with homework, supporting football tournaments, completing the endless forms, organising lunches, or simply being there when support was needed. It has been greatly appreciated.

To the children: **Cheetahs, you have truly blown me away this year.** Every one of you has grown in confidence, maturity and character. You should all be incredibly proud of yourselves and everything you have achieved.

I wish you all the very best as you move on to high school. Embrace every opportunity, work hard, believe in yourselves and continue to be the amazing young people you have become.

Have a fantastic summer and enjoy the sunshine!

For one last time, thank you and goodbye.

Class of 2026 ❤️
