

## Cheetah Class Newsletter

Welcome back! We hope you all had a **wonderful and restful May half-term break** and that the children have returned feeling refreshed, recharged and ready for the exciting weeks ahead.

It has been lovely to see everyone back in school, sharing their holiday stories and settling quickly back into routines. As always, we have had a busy and enjoyable couple of weeks already, filled with fantastic experiences and learning opportunities.

One of the standout moments since our return has been our Football Engagement Day. The children had a fantastic time taking part in activities led by visiting professionals, including paramedics and police officers. It was a brilliant opportunity to learn about important community roles while developing teamwork skills- and having lots of fun too!

We have also thoroughly enjoyed our two weeks of swimming lessons. The children showed great enthusiasm, confidence and determination in the water. It has been wonderful to see their progress and growing confidence across the sessions.

We also made the most of the lovely weather with a visit to the park, giving everyone a chance to relax, socialise and enjoy some fresh air together.

In the classroom, the children have continued to impress us with their hard work and focus.

In **English**, we have started exploring our new class text, *The Boy in the Tower*. The children have been incredibly engaged, making thoughtful predictions and asking insightful questions as we dive into the story.

In **Art**, the class has been enjoying the opportunity to be creative, experimenting with different techniques and producing some fantastic work.

We have also taken part in multiple transition sessions, helping prepare the children for their move to secondary school. It has been lovely to see how maturely they have approached these sessions, and their growing confidence and excitement for the next stage of their journey.

### Important Dates
