Hummingbird Class Newsletter

26.06.26

Hello everyone, and thank you for all your support for summer term 2. The children have really enjoyed their new learning, especially in art, where they have been developing their drawing skills and showing great creativity.

The recent hot weather has been challenging, but the children have coped really well. Thank you for sending them in with water bottle, we have kept cool with regular water breaks and plenty of time in the shade.

We are looking forward to an exciting *Sports Day* next week and can't wait to cheer the children on! Thank you for your continued support.

English

The children have been reading and learning our book called 'if the world were.'

Maths

In Maths, we are learning about fractions

In **Science**, we have been reviewing living things and plants.

History

In History this half term, the children have been looking at the history of Whiston and learning about Edward Smith-Stanley.

Geography

In Geography, looking at human features in the local area.

PSHE

In PSHE, the children have been enjoying our new topic life cycles.

RE

In RE, the children have been reviewing our learning about special places in particular the church and the responsibilities a vicar has.

News

Daily Reading at home

Please spend 10 minutes reading with your child, and record this in their reading records, it helps them to become confident and fluent readers who can move through the Read, Write Inc scheme. We have spoken to the children about taking ownership for this and being able to write in their own records when parents are busy. The children have been enthusiastic about having this responsibility. We appreciate your support from home.

Uniform

Please ensure your child's uniform is labelled clearly with their name. This will really support staff in returning any lost uniform.

Water Bottles

Please ensure your child has a water bottle with them in school each day.

Star of the week
