In Nursery this week...

Everyone has enjoyed a pirate themed week of learning as we continue our theme “Can you explore it?”. We developed role play ideas through dress up and imaginative play. Children have enjoyed counting and sorting treasure on a pirate adventure and worked in teams to read maps to find where the shiny treasure was hidden outdoors. Our favourite activities were walking the plank and cooling down with pirate water games!

School starters enjoyed their first visit to their new Reception classes. They all enjoyed meeting their new teachers and teaching assistants and also new friends. The next session will be Thursday 9th July.

*Snack money is £1 per week or £2 if your child attends 30 hour sessions. Please pay any outstanding payments.

*Please provide your child with a sun hat and apply sun cream if the hot weather continues into next week.

*Many thanks to those who joined us in Nursery for a “Get ready for School” session with your child.

Home activity

If you have any empty plastic bottles, please send them into to Nursery. Any pirate messages sent in the bottles would be great for us to read next week.

Thank you!

Stars of the Week...
