News

We are nearly there! Only 9 school days away from SATs - WOW! It is hard to believe how quickly the time has gone. Thank you for continuing to support your children with their revision at home; it really does make a difference as we enter this final push. A huge thank you as well to all the parents who attended Parents' Evening or took the time to speak to me over the phone. Your support and communication is greatly appreciated. Please remember that Bank Holiday Monday is coming up, meaning school will be closed. This three-day weekend is a great opportunity for children to rest, recharge, and prepare for their final week before SATs. When they return to school, they will have less than a week before the first SPaG paper, so a balance of light revision and plenty of rest will be key. Keep revising - we are now in the final push, and the children are doing brilliantly.
