Pangolin Class Newsletter

13.11.26

The children have settled back into school beautifully after their break, and we are looking forward to another exciting half term of learning and fun! We are also excited for our school nativity, 'Wriggly Nativity', on Wednesday 16th December at 10:30am and 2:30pm. More information will be sent out soon! Many thanks.

English

The children have been learning and reading our new text 'The great fire of London'.

Maths

In Maths, we are learning how to complete simple subtraction.

Science

In Science, we have been learning about living things.

History

In History, the children have been looking at the history of the Great fire of London in 1666.

Geography

In Geography, looking at human and physical features in the local area.

PSHE

In PSHE, the children have been enjoying our new topic celebrating differences.

RE

In RE, the children have been learning about Hannukah.

DT

The children have been learning about healthy eating. We loved making our healthy salad bowls this week!

News

Daily Reading at home

Please spend 10 minutes reading with your child, and record this in their reading records, it helps them to become confident and fluent readers who can move through the Read, Write Inc scheme. We have spoken to the children about taking ownership for this and being able to write in their own records when parents are busy. The children have been really enthusiastic about having this responsibility. We appreciate your support from home.

Uniform

Please ensure your child's uniform is labelled clearly with their name. This will really support staff in returning any lost uniform. Reminder that our PE days are Tuesday and Thursday.

Water Bottles

Please ensure your child has a water bottle with them in school each day.

Maths Games

A number of parents have enquired about supporting children from home. These maths games are fantastic as a guide. We are working on children's mathematical fluency. As they are adding and subtracting higher numbers, it will really benefit the children if they are able to add and subtract numbers to 10 and then to 20 fluently and confidently.

This website has some great games to help them with this!

Star of the week
Evelyn

Thank you for your continued support.
Mrs Askew and Mrs Williams
