

Year Group: Years 5 and 6 (KS2) Date: Monday 3rd May 2020

Subject: Art & Design- Feelings and emotions

LO: I can use art to express my feelings and emotions

LO: I can select colours to reflect my feelings and emotions.

Prior learning: Children have previously explored the feelings and emotions artists portray in their work.

Key Facts:

Art can give young children a voice and a chance to be heard.

You can express your feelings through art!

Art can have a positive impact on society.

Art can help children in the future understand what life is like today.

New learning:

Explore other children's isolation art.

Activity 1:

Step- 1 think about these questions.

How are you feeling? Can you create a piece of art to help you express these feelings and emotions?

Step 2- Choose an object or person to symbolise the lockdown we are all experiencing. (facemask, gloves, NHS, window, family, social distancing signs in shops, Boris Johnson, keyworkers)

Step 3- Select paints, pencils or collage materials you are going to use. Use the links above for inspiration! Think about colours you are going to use and how they can reflect your emotions.

Step 4- Upload art on purple mash 2do labelled- Art Week 3
Isolation art.

Learning for Life

WHISTON WILLIS PRIMARY ACADEMY

Take a photograph of your isolation artwork and upload it onto purple mash. Click on this icon to upload →
