Subject: Mathematics

EYFS	Year 1		Year 2	Year 3	Year 4	Year 5	Year 6
forwards	numeral	full	compare	hundred	thousand	million	common factors
backwards	equal to	empty	order	three-digit	negative	prime	common multiples
pattern	most	quick (er)	estimate	multiples	round	square number	simplify
inside	least	slow (er)	two-digit	columnar	inverse	cube number	simplest
outside	first	hours	tens	partitioning	factor	remainder	ratio
part-part whole	second	minutes	ones	tenths	associative	improper fraction	proportion
double	third	seconds	array	unit fractions	hundredth	mixed-number fraction	formulae
odd	fourth	rectangle	times tables	non-unit	kilometre	proper fraction	algebra
even	fifth	square	third	fractions	rectilinear	percent	linear
subitise	even	circle	metres	equivalent	area	thousandths	expression
addition (add)	altogether	triangle	centimetres	numerator	acute	metric unit	parallelogram
subtraction	total	cuboid	kilograms	denominator	obtuse	imperial unit	compound unit
(subtract)	take away	cube	grams	integer	isosceles	inch	radius
more (than)	distance	pyramid	Celsius	decimal	equilateral	pint	circumference
less (than)	between	sphere	litres	perimeter	scalene	volume	diameter
fewer	difference	left	millilitres	analogue	parallelogram	convert (sion)	net
heavy (ier)	multiply (lots of)	right	pounds	digital	rhombus	degrees	rhombus
light (er)	divide (share)	top	pence	a.m.	trapezium	reflex	pie chart
same as	half	middle	sides	p.m.	quadrilateral	protractor	
small (er)	quarter	bottom	symmetry	orientation	regular	reflection	
big (ger)	long (er)	between	vertical	non-symmetrical	irregular	translation	
in	short (er)	around	edges	right angle	coordinates	axes	
on	tall (er)	near	vertices	horizontal	polygon		
under		close	faces	vertical	discrete		
up			surface	perpendicular	continuous		
down			prisms	parallel
