

Home Learning - Maths

Year Group: 4

Date: Monday 4th May 2020

Subject: Maths

Prior Learning: Fractions/Decimals Year 3:

- count up and down in tenths; recognise that tenths arise from dividing an object into 10 equal parts and in dividing one-digit numbers or quantities by 10
- compare and order numbers up to 1000
- compare and order unit fractions, and fractions with the same denominators

New Learning: Fractions/Decimals Year 4:

- count up and down in hundredths; recognise that hundredths arise when dividing an object by one hundred and dividing tenths by ten
- round decimals with one decimal place to the nearest whole number
- compare numbers with the same number of decimal places up to two decimal places
- recognise and write decimal equivalents to one quarter, one half and three quarters

Activity:

For all Maths lessons, please go to the following link:
