Whiston Willis Primary Academy

Articles of the Month: 28 and 31

Welcome to the October issue of our Rights Respecting newsletter. Our Pupil Leadership Team chose Article 28: The Right to an Education as this month we have had a big focus on our learning, how we learn best and how both pupil and adults can have an impact on this in the classroom.

The children also chose Article 31: The Right to Play and Rest as we felt like the article also impacts our every day school life. The children discussed their right to play and how this is accessed during break times and lunch times, however, how we all must work together to respect this right.

Pupil Leadership Team

Our Pupil Leadership Team is now up and running! The children were voted for by their peers and have been very enthusiastic about their new role.

This month the children have been responsible for choosing our articles of the month and for gathering together feedback from their peers of what we feel we should be putting on our Whole School Charter. We chose articles to be on the charter which will underpin the core values of our school and create a joint agreement about the expectations for respecting rights in all areas of school life.

This half term our focus will be creating a Playground Charter and we look forward to displaying these around school soon!

Learning is fun!

With Article 28: The Right to an Education being a main focus of ours this month, we would like to highlight just some of the amazing achievements we have had this half term!

*We became a Flagship School for the
Literacy Tree!*

*We were crowned champions of our first
inter-school TimesTables Rockstars battle
and a further 20 of our KS2 children received
badges for scoring 3 seconds or less!*

*We had a fantastic turnout at our
nursery stay and play sessions!*

Nursery

*Our Nursery children
have been looking at
the rights of the child
too! The children
found a teddy outside
who was cold and
dirty lying alone in a
puddle! They made
sure that the teddy
had everything he
needed such as food
and drink, warmth,
clean clothes and lots
of love!*

Jigsaw Tweet of the Week!

A special mention and huge well done goes to Wolf Class and Mr Wong this month as they achieved the @JigsawPSHE Tweet of the Week for their amazing Class Charter they have displayed in such a creative way. The class charter is a great way for the children to take ownership of their own actions and clearly links to the rights the children have and how they and adults in school can respect these.
